## **Hair colour**

## This task is about reading information from a strip graph.

The hair colour of the students in Room 9 is shown on a strip graph below.

	Red	Brown	Blonde	Black	
a)	What is the most common hair colour?				
b)	Very few students in Room 9 have which colour hair?				
c)	There are twice as many students with black hair as students with which colour hair?
