

Wickets in cricket

This task is about reading information from a table.

The table shows the number of wickets taken by 7 bowlers in a series of 1-day cricket matches.

NAME OF BOWLER	NO. OF WICKETS
Solomon	2
Brian	6
Zane	0
Daniel	7
Joshua	5
Miah	8
Noah	2

- a) Name the 2 bowlers who took the same number of wickets. _____ and _____
- b) How many bowlers took fewer than 5 wickets? _____
- c) Who was the only unsuccessful bowler? _____
- d) Write a statement about the number of wickets Miah took compared with the other 6 bowlers.
