

Sports on TV

This task is about reading information from a pie graph.

Pahai asked the children in his class what winter sport they liked watching best on TV. He recorded answers from 32 children in this pie chart.

a) Which sport did the most children like watching best?

- Soccer
- Rugby
- Golf
- Netball
- League

b) What sport did $\frac{1}{4}$ of the children choose?

- Soccer
- Rugby
- Golf
- Netball
- League

c) How many children liked watching Netball best?

- 2
- 4
- 6
- 8
- 12
