

Take-away survey

Asher designed a short survey to give to all Year 8 students at his school. He wanted to report on their favourite take-aways, how often they buy them, and how much they spend.

Read Asher's survey below. On the following page write down five ways his survey could be improved to get the information he wants.

Asher's survey about takeaways

Please fill in this questionnaire about take-aways.

Place a in the appropriate boxes.

1. Female Male

2. Age 12 13 (Circle one)

3. What is your favourite kind of take-away?
