

Softball throws

This task is about creating a back-to-back stem-and-leaf graph from raw data.

Classes 10MV and 10SP had a softball throwing competition. They measured their throws to the nearest metre. Here are their results.

Class 10MV

31 43 62 38 51
47 26 18 49 73
55 38 66 29 34
58 43 14 44 69
48 60 37

Class 10SP

47 22 38 35 59
50 17 78 24 43
32 81 36 41 29
53 42 42 58 71
33 43

Complete this back-to-back stem-and-leaf graph, to show the results of the throws. You do not need to order the leaves on a stem.
