Tara recorded the day of the month on which each student in Room 5 was born.

Her results are shown in the box above.

- a) Complete the stem-and-leaf graph below using Tara's data.  
Do not put the 'leaves' in order, but record them in the order that they appear.

- b) Now complete the stem-and-leaf graph below by ordering the numbers in each of the 'leaves' from part a).
