Pie sales

This task is about creating a pictograph for information about pie sales.

The table above shows the number of pies sold each month in the Hillsdowne School canteen.
Use the data shown on the table above to complete the pictograph in the space below.

The symbol ⊗ represents 10 pies. Remember to:

- Give your graph a title.
- Complete the *x*-axis.
- Draw a key for your graph.

PIE SALES

Month	No. of pies
Jan	0
Feb	10
Mar	20
Apr	25
May	30
Jun	45
Jul	40
