

Birth months II

Practical Task

The children in Room 6 wrote down the days of the month their birthdays were on. Here are the results:

**12, 6, 30, 19, 25, 14, 25, 9, 10, 20, 19, 23, 8,
19, 10**

Finish the stem-and-leaf graph below by cutting out the numbers you need from the next page and gluing them in the right places. You will not need to use all the numbers.
