# Picking peaches

This task is about creating a graph from data.

Here is a frequency chart of the peaches picked from each tree in an orchard.

Number of peaches	Frequency
1-10	6
11-20	9
21-30	12
31-40	19
41-50	11
51-60	8
61-70	15

Draw a **graph** for the data above. Remember to give your graph labels and a title.
