

Community Fundraising

This task asks questions about a box-and-whisker graph.

Below is a box-and-whisker plot showing the annual fundraising amounts for 40 community charities:

Community fundraising

- What does the bold line marked just above \$40,000 indicate? _____
- What number of charities fundraise between \$32,000 and \$58,000? _____
- What proportion of charities fundraise less than \$32,000? _____
