

# Soft drinks

---

**This task is about creating and reading information from a pie graph.**

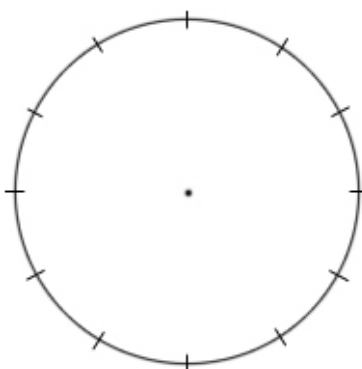

Every student in a Year 8 class was asked what their favourite drink was.

Here are the results.

<b>Favourite drink</b>	<b>Number of Students</b>
Lemonade	6
Cola	8
Orange	4
Lime	3
Others	3
Total	24

a) Complete and label the pie graph below to show these results.

Title: **Favourite drinks**

b) What fraction of the students liked Lemonade the best? \_\_\_\_\_

c) What fraction of the students liked Lime or Orange the best? \_\_\_\_\_
