# Eye colour

This task is about creating different types of graphs.

Aleisha made a note of the eye colour of 15 of her friends.

This is what she found.

Colour of Eyes	Number of Students
Brown	6
Blue	3
Hazel	4
Green	2

a) Complete **and** label a bar graph below, to show the number of students and the colour of their eyes.

b) Complete **and** label the strip graph below to show the number of her friends and the colour of their eyes.
