## Zoo animals II

## This task is about graphing a dot plot.

The children did a tally of the animals they saw at the zoo. Here are the results:

| monkeys<br>elephants | 28<br>4 | zebras<br>giraffes | 12<br>8 | bears<br>dingoes | 10<br>6 |
|----------------------|---------|--------------------|---------|------------------|---------|
| lions                | 4       | kangaroos          | 9       | squirrels        | 20      |
| tigers               | 5       | goats              | 17      | bison            | 5       |
| leopards             | 7       | deer               | 25      | wolves           | 6       |

Complete the dot plot below, showing the children's results:
