

School tests

This task is about identifying the mean, median, mode and range, and drawing a stem-and-leaf graph.

Ben recorded his friends' results in the end-of-term tests as percentages.

	Spelling	Maths	English	Soc. Studies	Science	Health
Ben	90%	100%	80%	93%	91%	89%
Alex	100%	75%	80%	78%	94%	96%
Jo	69%	52%	90%	70%	83%	86%
Hiria	90%	100%	95%	85%	94%	100%
Hone	80%	85%	83%	85%	83%	96%
Rachel	75%	62%	70%	75%	53%	85%

- What is the **mean** percentage for English? _____%
- What is the **mode** for Health? _____%
- What is the **median** percentage for Maths? _____%
- What was Hone's **mean** percentage for the 6 results? _____%
- In the space below draw a stem and leaf graph for the subject with the greatest **range**.

Subject: _____
