

# A few coins

---

This task is about identifying the **least** number of coins to make an amount.

Tick the boxes to show the **least** number of coins Mia could use if she needed these amounts of money.

The first one has been done for you.

## Choice of coins

	10c	20c	50c	\$1
Mia saved 70c		✓	✓	
Mia saved 30c				
Mia saved 80c				
Mia saved \$1.10				
Mia saved \$1.50
