

How much change?

This task is about getting change after buying something.

This is some of the food Maggie sells at her Food Bar.

The table below shows the food some friends bought at Maggie's Food Bar.
Each person had \$5.00 to spend.

Write in **how much change** each person got when they bought their food.

Person	What they bought	Change from \$5.00
Aneta	1 mini burger 	\$ <input type="text"/>
Simon	2 mini burgers  	\$ <input type="text"/>
David	1 pie 	\$ <input type="text"/>
Wiremu	2 pies  	\$ <input type="text"/>
Sarah	1 small plate of nachos 	\$ <input type="text"/>
