

# Making necklaces

This task is about working out decimals.

Complete the table below to give the number of each coloured bead in each necklace.

## Instructions to make each necklace

**Necklace A**  

Total of 20 beads of which

- 0.1 are red
- 0.6 are blue
- 0.3 are green

**Necklace B**  

Total of 20 beads of which

- 0.15 are red
- 0.6 are green
- 0.25 are black

**Necklace C**  

Total of 25 beads of which

- 0.6 are red
- 0.08 are blue
- 0.2 are green
- 0.12 are black

## Table to Record Answers

	Necklace		
Number of each coloured bead	A	B	C
Red			
Blue			
Green			
Black
