# Looking at zero

This task is about what happens when you use zero when adding or taking away.

Look at each number sentence. Select if it is True or False.

a) 12 + 0 = 12   *true* / *false*

b) 34 – 34 = 34   *true* / *false*

c) 91 – 0 = 91   *true* / *false*

d) 70 + 0 = 700   *true* / *false*

e) 0 + 87 = 0   *true* / *false*
