

Estimating money

This task is about estimating sums of money.

Do NOT use a calculator for these tasks.

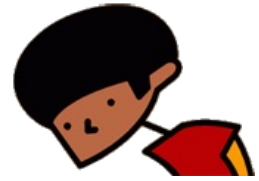

Whaea Hurunui had \$5,600 in her bank account. She gave \$1,995 as a donation.

Renee said that Whaea Hurunui had **exactly** \$3,600 left.

Paul said that Whaea Hurunui had **less than** \$3,600 left.

Hohepa said Whaea Hurunui had **more than** \$3,600 left.

Who was correct?

Renee

Paul

Hohepa

Explain, without doing the exact calculation, how you can tell who is correct:
