School swimming sports

This task is about using addition and basic multiplication facts.

At a school swimming sports, points were given in each event for 1st, 2nd, and 3rd placings and Best Team Spirit (B.T.S.) as follows:

1st placing   =   5 points
2nd placing   =   3 points
3rd placing   =   1 point
B.T.S.   =   4 points

The teams were Kaka, Kakapo, Kea, and Kiwi.
Their placings are shown in the table.

Number of Placings

Team	1st (5 points)	2nd (3 points)	3rd (1 point)	B.T.S. (4 points)
Kaka	6 events	3 events	5 events	4 events
Kakapo	5 events	3 events	7 events	4 events
Kea	3 events	5 events	3 events	5 events
Kiwi	4 events	7 events	3 events	5 events

a) How many points did each team score?

   i) Kaka: [____]

   ii) Kakapo: [____]

   iii) Kea: [____]

   iv) Kiwi: [____]

b) Which team got the most points overall?   *Kaka / Kakapo / Kea / Kiwi*
