

Buying retro CDs and DVDs

This task is about working out costs.

Mr Toimata was buying some retro CDs and DVDs.

a) If each CD cost \$12.65, how much will a box of 8 Sing-along CDs cost him?

\$

b) If each CD costs \$11.65, how much will a set of 6 Jazz CDs cost him?

\$

c) If a set of 4 aerobic DVDs cost \$54.60, how much does each DVD cost?

\$
