

# Health percentages

This task is about writing percentages as decimal numbers.

Six friends are playing a computer game called CONQUEST. The health of their characters is shown on the screen as percentages.

Write each character's health percentage as a decimal in the table below.

Character	Percentage	Decimal
Crusher	10%	a)
Striker	47%	b)
Defender	9%	c)
Mercury	110%	d)
Gatekeeper	71%	e)
Avanti	7.5%	f)
