

# Different number system II

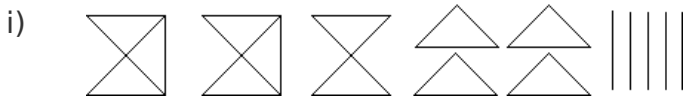

This task is about using a different number system to work out numbers.

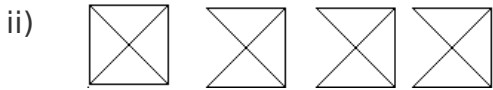

On the planet Efilar they have their own symbols for numbers.

				
<b>10,000</b>	<b>1,000</b>	<b>100</b>	<b>10</b>	<b>1</b>

a) Write each of these Efilar numbers in our number system.

Number: \_\_\_\_\_

Number: \_\_\_\_\_

b) Show each of these numbers in the Efilar system.

i) 2,316

ii) 30,050
