

Ordering numbers III

This task is about putting numbers in order.

Practical task

- Cut out all the numbers in the chart below.
- Place the numbers in order from smallest to largest on the snake, with the smallest number at the snake's head and the largest number at the snake's tail.
- Each number has a line drawn underneath it to show which way up it goes.
- When you have placed the numbers in order glue them on to the snake.

84	34	<u>16</u>	<u>59</u>
<u>2</u>	<u>77</u>	<u>76</u>	<u>7</u>
<u>89</u>	<u>27</u>	<u>61</u>	<u>98</u>
<u>60</u>	<u>48</u>	<u>43</u>	<u>30</u>
