

# Odd and even numbers

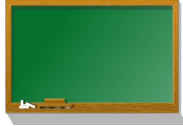

**This task is about finding odd and even numbers.**

For each set of numbers highlight the odd and even numbers with green or yellow.

Highlight the odd numbers in green.  
Highlight the even numbers in yellow.

Odd numbers 

Even numbers

a) Some children at school wrote their ages on the board. Here is the list.

Name	Age	Name	Age
Zac	13	Harry	12
Grace	6	Cam	8
Juliet	10	Kyle	9
Amy	7	Fran	5
Sam	11		

Highlight the odd numbers in green.  
Highlight the even numbers in yellow.

Odd numbers 

Even numbers

b) Some children in Room 1 collected leaves. They wrote down a list of the number of leaves each child had.

23 138 75 67 104 80 92 205 50 46 221
