

# Country of birth

This task is about writing decimal numbers as percentages.

The table below shows the percentage of students born in different countries that attend Waterfield School.

Write each percentage as a decimal in the spaces provided.

Country born in	Percentage	Decimal
New Zealand	60%	<input type="text"/>
Samoa	24%	<input type="text"/>
Tonga	10%	<input type="text"/>
Australia	5%	<input type="text"/>
Japan	1%	<input type="text"/>
