

Ordering numbers II

This task is about ordering whole numbers.

a) Here are the numbers of shells that some children found at the beach:

67, 24, 38, 76, 49, 9, 83, 40.

Write these numbers from smallest to largest:

Smallest

Largest

b) Some children each wrote a story.

Here are the number of words they wrote: **403, 304, 340, 430, 343, 334.**

Write these numbers from **smallest** to **largest**.

Smallest

Largest
