

Daily timetable

This task is about adding digital time.

Help Salati to complete her timetable below by writing in the times for each activity. Add the number of minutes taken for each activity to the time before. The first two have been done for you.

Salati's Timetable	
Activity	Time
Wake up	6:30
30 minutes later ▶	◆
Wave to Mum leaving for work	7:00
5 minutes later	◆
Eat breakfast and get dressed ▶	<input type="text"/>
1 hour later	◆
Leave for school ▶	<input type="text"/>
4 hours later	◆
Play with my friends at lunchtime ▶	<input type="text"/>
1 hour later	◆
Go to class ▶	<input type="text"/>
2 hours later	◆
Arrive home from school ▶	<input type="text"/>
15 minutes later	◆
Go to kapa haka practice ▶	<input type="text"/>
3 hours later	◆
Eat tea ▶	<input type="text"/>
10 minutes later	◆
Do my Homework ▶	<input type="text"/>
15 minutes later	◆
Watch some TV ▶	<input type="text"/>
1 hour later	◆
Go to bed to read ▶	<input type="text"/>
