

# Earth time

---

This task is about units of time.

An alien wants to find out about time on Earth.  
Answer the alien's questions.

- a) "How many days are there in a week?"
- b) "How many months are there in a year?"
- c) "How many minutes are there in an hour?"
- d) "How many seconds are there in a minute?"
- e) "How many hours are there in a day?"
