

Show the time

This task is about showing time.

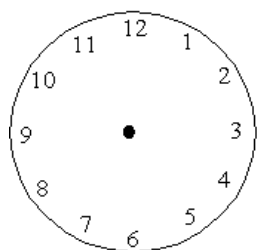

In Room 5 the children have music from 1:30 p.m. until 2:00 p.m.

- a) How much time is this? _____

- b) The children did art for one hour. They finished at 3:00 p.m. On the clock below draw the time they **started** art.

- c) Maths ended at 11:30 a.m. On the clock below draw the time maths ended.

The clock below shows when the children's reading time started.

- d) What time does it show? _____
