

Looking at March

This task is about reading a calendar.

March 2014						
Sat	Sun	Mon	Tues	Wed	Thurs	Fri
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	31				

a) How many days in March?

b) Which month comes before March?

c) Which month comes after March?

d) What day is March 10?

e) The school plans to have a gala one Saturday in March.

Which dates could the gala be? Write them in order from first to last.

 , , , ,

f) A class gets books from the school library on March 17th and have to return them in 2 weeks.

On which date are the books to be returned to the library?
