

# Using clock faces

This task is about showing time.

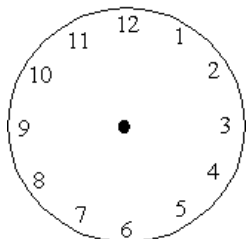

Ben waited for the bus for 20 minutes. If he reached the bus stop at 7:40 a.m., at what time did the bus come?

a)

\_\_\_\_\_

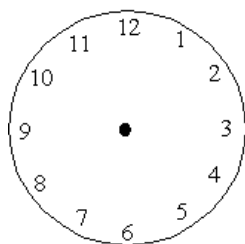

Melanie ate her lunch in 10 minutes. She finished eating at 12:35 p.m.

b) On the clock face, show the time she **started** eating.

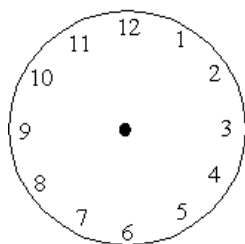

c) Show the time that is on each digital clock on the clock face below it.

i) **1 : 15**

ii) **2 : 30**

iii) **4 : 45**
