

Different lengths

This task is about different units to measure length.

For each object, select if it is *less than 1 metre(m)* or *more than 1 metre(m)*. The first one has been done for you.

Object	Drawing	Answer
a) Length of a pencil		<div><div>less than 1 m</div><div>more than 1 m</div></div>
b) Height of a door		<div>less than 1 m / more than 1 m</div>
c) Length of a book		<div>more than 1 m / less than 1 m</div>
d) Height of a dog		<div>more than 1 m / less than 1 m</div>
e) Width of a bus		<div>less than 1 m / more than 1 m</div>
f) Length of a dolphin		<div>less than 1 m / more than 1 m</div>
