

How many centimetres?

This task is about estimating and measuring length.

a) About how many centimetres long is the pencil? *(Select one)*

<input type="radio"/>	8 cm
<input type="radio"/>	10 cm
<input type="radio"/>	14 cm
<input type="radio"/>	18 cm

b) About how many **centimetres** long is the exercise book? *(Select one)*

<input type="radio"/>	20 cm
<input type="radio"/>	25 cm
<input type="radio"/>	30 cm
<input type="radio"/>	35 cm

c) Use a ruler to measure as accurately as you can, the length of the pencil and the length of the exercise book.

Write your measurements in the table below.

Object	Measurement
pencil	<div></div> cm
exercise book	<div></div> cm
