

Designing badges

This task is about drawing a shape with the features you are given.

Using your felt pens/coloured pencils you are to design 4 new badges for Rātā School's student librarians.

Use the grid paper below to design 4 different badges. Each badge must have the following things:

- a total of 16 whole squares;
- a rectangle shape;
- at least 1 line of symmetry;
- 3 colours only, these need to be symmetrical also.
