Predicting resizing
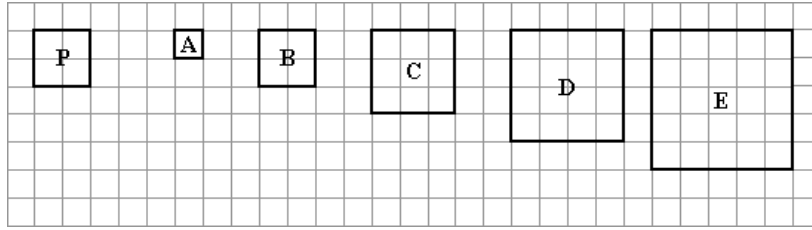

This task is about resizing and scale factors.

a) If Shape P was transformed with an enlargement scale factor of 1 $^1/_2$, it would become ...
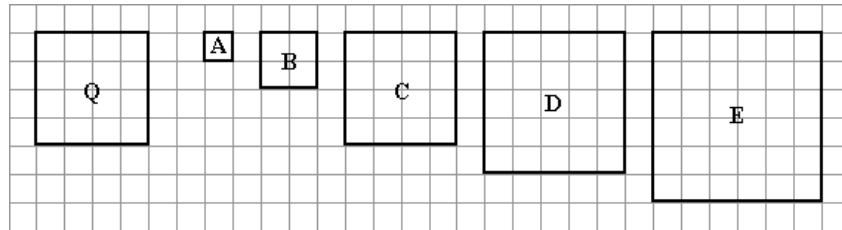

- ○ shape A
- ○ shape B
- ○ shape C
- ○ shape D
- ○ shape E

b) If shape Q was transformed with an enlargement scale factor of $^1/_2$, it would become ...
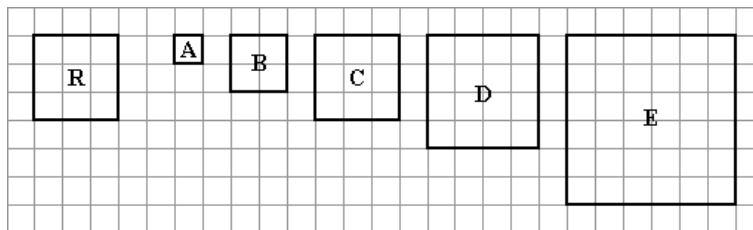

- ○ shape A
- ○ shape B
- ○ shape C
- ○ shape D
- ○ shape E

c) If Shape R was transformed with an enlargement scale factor of $^1/_3$, it would become ...

- ○ shape A
- ○ shape B
- ○ shape C
- ○ shape D
- ○ shape E
