

Continue the tessellation

This task is about shapes that fit together in a pattern.

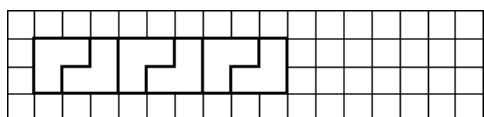

Kapua was in the wharenuui. She saw lots of shapes like this:

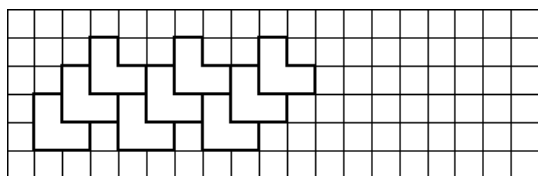

She started to think about making patterns out of these shapes.

Continue each pattern by adding more of each shape to the patterns Kapua has started.

- a) Add **four** shapes.

- b) Add **six** shapes.

- c) Add **eight** shapes.
