

Making tessellating patterns

This task is about tessellating patterns.

Practical task

- Cut out all the triangles and hexagons below.
- Arrange all the shapes on a piece of paper so that they make a **repeating** pattern.
- Make sure there are no gaps in between your shapes.
- When you have made your pattern, glue the shapes on to the page.
- You may leave out one or two shapes if you want to.
- Ask for another page of shapes if you need more.
