

# Tessellating bricks

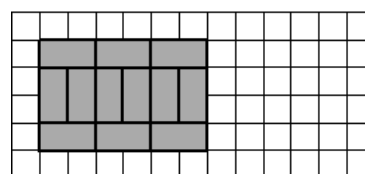

This task is about tessellating shapes.

Frankie built six different patterns out of bricks. Draw in **six or eight** bricks to keep each pattern going. An example has been done for you.

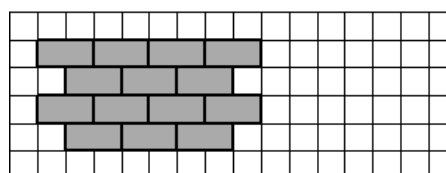

Example: **Eight** bricks have been added to the pattern.

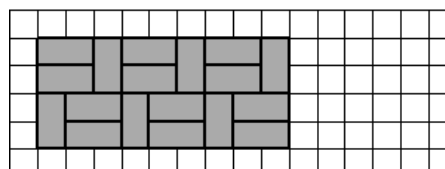

a) Add **eight** bricks to this pattern.

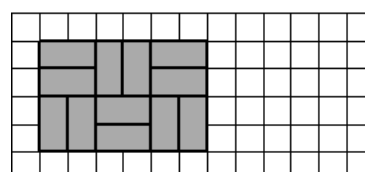

b) Add **eight** bricks to this pattern.

c) Add **six** bricks to this pattern.

d) Add **eight** bricks to this pattern.

e) Add **eight** bricks to this pattern.
