

Taranaki School Playground

This task is about using a compass to work out direction.

This is a picture of some children in the playground at Taranaki School.
The arrow at the top points North.

a) In which direction will Ina move to get to the sandpit? (Select one)

<input type="radio"/> North
<input type="radio"/> South
<input type="radio"/> East
<input type="radio"/> West

b) In which direction will Tana move to get to the hoop? (Select one)

<input type="radio"/> North
<input type="radio"/> South
<input type="radio"/> East
<input type="radio"/> West

c) In which two directions must Simone move to get to the tree?

North/ South/ East/ West and North/ South/ East/ West
