

Corners, faces and edges II

This task is about the properties of 3-dimensional shapes.

Write down the shape name of each of the following objects and the number of faces, edges, and vertices (corners) it has.

- a) i) Shape name:
- ii) Number of:
- Faces Edges Vertices

- b) i) Shape name:
- ii) Number of:
- Faces Edges Vertices

- c) i) Shape name:
- ii) Number of:
- Faces Edges Vertices

<

- d) i) Shape name:
- ii) Number of:
- Faces Edges Vertices
