

# Historical sites

This task is about using grids and grid references.

The grid above shows the historical sites Jane and David could visit during their holiday in Summerford County, England.

- a) Jane visits the three sites at the grid references shown below.  
Next to each grid reference write the name of the site she visits.

i) (G, 1)

ii) (H, 4)

iii) (B, 9)

- b) David only visits the castles.

List the grid references of all the castles.
