

Friends at a park

This task is about using compass directions to describe the position of people in a forest park. Here is a diagram of where friends were in a forest park.

a) Which person is directly **north** of Pat?

Karen | Jessica | Pat | Kathy | Ani | Bill | Timoti | Jamie | Katrina | David | Mark | Nada | Huria | Sally (Select one)

b) Which person is directly **south** of Bill?

Karen | Jessica | Pat | Kathy | Ani | Bill | Timoti | Jamie | Katrina | David | Mark | Nada | Huria | Sally (Select one)

c) Which person is directly **east** of Katrina?

Karen | Jessica | Pat | Kathy | Ani | Bill | Timoti | Jamie | Katrina | David | Mark | Nada | Huria | Sally (Select one)

d) Which person is directly **west** of Nada?

Karen | Jessica | Pat | Kathy | Ani | Bill | Timoti | Jamie | Katrina | David | Mark | Nada | Huria | Sally (Select one)
