

Naming shapes

This task is about matching the names of 2-D and 3-D shapes.

Draw a line from each shape to its name. There will be some names left over.
The first one has been done for you.

Shape	Shape name
-------	------------

	<input checked="" type="checkbox"/> diamond
	<input type="checkbox"/> hexagon
	<input type="checkbox"/> cone
	<input type="checkbox"/> diamond
	<input type="checkbox"/> square
	<input type="checkbox"/> cuboid
	<input type="checkbox"/> circle
	<input type="checkbox"/> sphere
	<input type="checkbox"/> triangle
	<input type="checkbox"/> cylinder
	<input type="checkbox"/> oval
	<input type="checkbox"/> cube
	<input type="checkbox"/> pentagon
	<input type="checkbox"/> oblong
