

# Map of the zoo

This task is about left and right directions.

The dotted line on the map shows the way to walk from the gate to the panda cage. Fill in the gaps below using only the words *right* or *left* to describe the walk.

- Walk through the gate, past the lion cage, then turn *right* / *left*
- Walk past the monkey cage and then turn *right* / *left*
- Walk past the zebra cage and then turn *right* / *left*
- Walk past the wolf cage and then turn *right* / *left* to get to the panda cage
