# Commutative number lines II
This task is about using number lines to show number sentences.

a) Write the number sentence that each number line shows in the boxes below.
i)

$$21 + 5 = \underline{} + \underline{}$$

ii)

$$=$$

iii)

$$=$$

b) Use the number lines below to draw in each number sentence.

i) $8 + 7 = 7 + 8$

```
|---+---+---+---+---+---+---+---+---+---+---+---+---+---+---+---+---+---+---+---|
0   1   2   3   4   5   6   7   8   9   10  11  12  13  14  15  16  17  18  19  20
```

ii) $16 + 9 = 9 + 16$

```
|--+--+--+--+--+--+--+--+--+--+--+--+--+--+--+--+--+--+--+--+--+--+--+--+--+--+--+--+--+--|
0  1  2  3  4  5  6  7  8  9  10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 28 29 30
```

iii) $13 + 19 = 19 + 13$

```
