

Cuisenaire number sentences

This task is about using Cuisenaire rods to make number sentences.

You will be given a Cuisenaire rod representing one of the following numbers:

7 (black), 8 (brown), 9 (blue) or 10 (orange). You will also receive rods representing smaller numbers.

Your task is to:

- . Use some of the smaller Cuisenaire rods to make up the target value of the rod you have been given.
- . Record each finding as a number sentence below.
