

## Older or younger? II

This task is about understanding greater than, equal to and less than symbols.

These are all the children in the Tyson family and how old they are.

**Moana**

**9**

**Tiare**

**7**

**Teina**

**6**

**Ngahuia**

**4**

**Tui**

**3**

Select the symbol =, < or > to make each sentence true.

a) Ngahuia's age =/ </ > Teina's age.

b) Tiare's age =/ </ > Tui's age.

c) Tui's age + Ngahuia's age =/ </ > Tiare's age.

d) Teina's age + four years =/ </ > Moana's age.

e) Moana's age – Tiare's age =/ </ > Tui's age.
