

# Chocolate milk homework

---

This task is about what happens when you add 1 or multiply by zero.

James spilt chocolate milk over his maths homework sheet.

a) Write the missing **number** on each milk spot to finish each equation.

i)  $4 + \text{milk spot} = 4$

ii)  $\text{milk spot} + 9 = 9$

iii)  $17 \times \text{milk spot} = 17$

iv)  $\text{milk spot} \times 7 = 7$

b) Write the missing **sign** (+ or  $\times$ ) on each milk spot to finish each equation.

i)  $8 \text{ milk spot } 0 = 8$

ii)  $4 \text{ milk spot } 1 = 4$

iii)  $1 \text{ milk spot } 10 = 10$

iv)  $0 \text{ milk spot } 6 = 6$
