

# Addition and Multiplication boxes

This task is about completing addition and multiplication equations using numbers 1-10

Complete each equation by filling in the boxes.

Use only the numbers above. Each number can be used more than once.

a)  $9 + \square + \square = 18$

b)  $\square + \square + 5 = 22$

c)  $\square + 8 + \square = 27$

d)  $2 \times \square \times \square = 32$

e)  $\square \times 3 \times \square = 36$

f)  $\square \times \square \times 7 = 49$
